Scouting: Nutrition? Diseases? PD?
Reimplementation of leaf removal?
Insect Management (Sour Rot!!!)?
Disease Management?
Harvest and Scouting?

When to harvest:

- (1) Buyer wants fruit
- (2) Maturity for the desired wine style (HAHA)
- (3) Before fruit rot

Pre-Harvest Training: Safety

- Safe travel on roads (with equipment)
- Safe working conditions during harvest (Heat/Thirst etc.)
- CPR/Back Injuries
- Safety: When was it sprayed first/last etc.
- Heat prevention
- Team Building
